PUBLIC RESEARCH GRANTS CAN BE APPLIED

The Board of the Häme Foundation for Professional Higher Education and Research announces that grants can be applied for research projects which support the areas of Kanta-Häme and South Pirkanmaa.

The grant application period will begin on February 1st, 2020 and end on February 28th, 2020 at 4 p.m. Grants are available freely for public and will be awarded according to the following criteria:

A. Young researcher, 5000 euros grant or grants

To support research and development activities within the operating area of Häme University of Applied Sciences. To support the research- and development activities which benefit the areas of Kanta-Häme and South Pirkanmaa.

B. Innovations that create work, facilitate everyday life and solve social problems, 3000 euros grant or grants

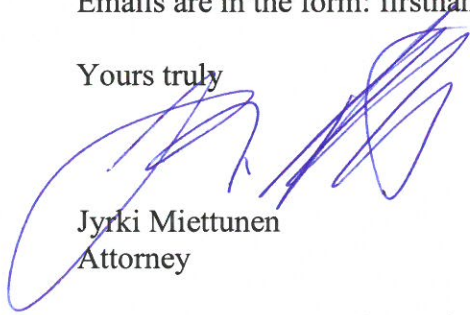

The grants are targeted at innovations that promote new operating models and new businesses within the operating area of Häme University of Applied Sciences. Specially we welcome applications related to professional skills, bio economy, technology applications including sheet metal technology or smart services.

The grant will be applied with the foundation's grant application form. You can find the application form and guide on foundation's home page, www.hakcts.fi.

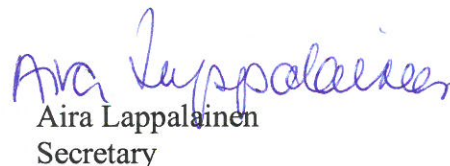

We will treat the information in confidence and in accordance with Data Protection Act 1050/2018. Application received will not be returned. The Board of the Foundation will decide on grant recipients on March 19th, 2020, and we will notify applicants by email.

For further information, please contact: Jyrki Miettunen, Attorney, tel. +358 40 538 1681 or Aira Lappalainen, Secretary, tel. +358 40 734 4503. Emails are in the form: firstname.lastname@hamk.fi.

Yours truly

Jyrki Miettunen
Attorney

Aira Lappalainen
Secretary
