

RIGHTS TRANSFER AGREEMENT FOR THESIS OR OTHER STUDENT PROJECT RESEARCH MATERIALS

1 Purpose of the agreement

With this document, the student and possible commissioning party transfer the rights to the research materials (data) gathered for a thesis or other student project (e.g. module workplace project) to Häme University of Applied Sciences (HAMK) for possible further use. This further use can occur in connection with teaching and research activities. If any publications are created on the basis of the materials or if the materials are used in other contexts, the student is credited as one of the authors, unless otherwise agreed.

2 The title of the thesis or project to which the research material belongs. Collector(s) of the material. Location of the material and the person responsible for the transfer (HAMK representative).
