

Enrolment for optional studies

Enrol in **Pakki** between 20 and 26 October 2025

Enrollment starts on the 20th at 8:00 a.m.

1) Take a look at the optional study options and choose one course you wish to enrol in

- See the presentation slides of optional studies in **Moodle**
- From the [module map of optional studies](#), you can see contact/online lessons and the timing of the studies
 - The optional courses are implemented during the spring semester, from 8 January to 6 March 2026 or from 30 March to 8 May 2026. With the exception of Wicked problems -course, which will be implemented between 13 January and 22 April 2026. Think about which time is best for you.
- You can access the study implementation plans from the student's desktop **Pakki**.
 - Log into Pakki with your **HAMK username**
 - Select the **PSP (Personal Study Plan)** and open the **Overview** tab. You can view the basic information of the course by clicking the course name.

- Under the tab **Enrolments** and heading **Enrolment ongoing** you will find optional courses for which you can enrol. The courses will become available when the enrolment period begins. Open the link from the name of the course and you will see the study implementation plan.

You can choose only **one course** and one of its implementations

2) Enrol in the course

- In the Student's Desktop **Pakki**, select the **PSP** and **Enrolments** tab. Under the heading of **Enrolment ongoing**, you will find optional courses available for enrolment.
- Find the name of the course you want to enrol in and click **Enrol** at the end of the line. Please check the time column to see that you are enrolling for the correct implementation.

- You can undo your enrolment by clicking on cancel and OK. If the enrolment has already been approved by the teacher and you want to cancel it, please contact the teacher or the Study Affairs Office at aokk-opintotoimisto@hamk.fi.
- Pakki will notify you if the course has reached its capacity. If your preferred course is full, you must enrol in an alternative course, as space is limited and popular courses fill up quickly.
- When your pending enrolment has been approved, the icon will change to a dark purple icon. Please be patient as it takes time to process all enrolments.
- If you are not accepted into your preferred course, the icon will change to a red icon, and you will receive an email notification. If the enrolment period is still ongoing, you can enrol in another course. If the enrolment period has ended, please wait for the supplementary enrolment period.
- Supplementary enrolment periods is from 1st to 7th December 2025.
