

HAMK Pilkku – Report on the use of AI

Title of submission *

Use of AI *

I have not used artificial intelligence in any way for the creation of my manuscript.

I have used artificial intelligence in the creation of my manuscript. A more detailed description is below.

The form is divided into the categories below. **If you choose one or more applications of AI within one category, always provide a description of your use.** The descriptions should be detailed (and include prompts, tools, application software, etc.), unless you have already provided a detailed description in your manuscript itself.

Content

Data processing

Information retrieval
