The Häme Foundation for Professional Higher Education and Research rf.

Grants to the personnel of Häme University of Applied Sciences

Persons employed on a permanent basis by Häme University of Applied Sciences may receive a scholarship to complete a master's degree, as well as for licentiate and dissertation work or other research and product development.
In addition, it is possible to apply for a grant for another skills development. These applications will be dealt with separately by the Board of Directors of the Foundation. Decisions to be made are considered primarily from the point of view of the Foundation's purpose.

Teaching staff cannot be awarded a scholarship for master´s degree because that degree is a requirement for teaching.

The staff grant is applied for using the staff grant application form.
